# MY DEAR MOM ORGANIC STRETCH MARKS CREAM

Nourishing cream for stretch marks

## Organic Stretch Marks Cream

FDA number: 73 - 1 - 6400049586

■ **Stretch marks cream** With the combination of 2 powerful ingredients, Astragalus & Codonopsis Pilosula Extract, they help in boosting collagen and elastin under skin layers. Also, with centella asiatica extract, it helps improve skin health and elasticity. Plus, with the power of biosaccharide Gum-1 from Fucogel, according to the manufacturer, we may define this ingredient S.M.A.R.T which derives from Soothing, Moisturizing, Anti aging, Restructuring, and Touch or smooth texture. Together with natural ingredients such as organic argan oil, sunflower oil, shea butter, and squalane, this product helps enrich skin moisture for smooth skin.

The cream is rich in texture but is easily absorbed and leaves no stickiness on the skin. It is suitable for all skin types and causes no irritation. The product can be applied on breasts, hips, abdomen, upper arms, and thighs.

# MY DEAR MOM NOURISHING BALM

Nourishing balm for lips, nipples, and dry area

## Nourishing balm

FDA number: 73 - 1 - 6400047018

## ■ Nourishing balm for lips, nipples, and dry area

It contains olea europaea (olive) fruit oil, an ingredient that boosts skin moisture, protect skin from dehydration, and build smooth skin. Together with natural fat and oil from sunflower seed wax and oil that can absorb into skin easily and are rich in vitamin A, B, D, E, and minerals, this balm helps improve skin moisture and protect from dry skin and irritation.

Plus the combination of 3 rich natural fats: mango seed butter, cocoa seed butter, and shea butter, the balm deeply nourishes the skin for smooth and moisturized skin. The product is suitable for breastfeeding mothers.

# MY DEAR MOM BIOTIN SHAMPOO & CONDITIONER

## Biotin Shampoo & Conditioner

### ■ Biotin Shampoo & Conditioner

Gentle products for hair and scalp that purify all dirt and cause no irritation. With the combination of biotin, vitamin B3, and ginseng extract, the products help improve hair strengthening, reduce hair loss, and moisturize hair and scalp.

Organic argan oil is rich in fatty acids, including Omega-3 (Alpha-linolenic acid), Omega-6 (Linolenic acid), Omega-9 (oleic acid). These are essential ingredients that help in nourishing and strengthen hair, reduce irritation, reduce tangled hair, and create healthy looking hair.

### Biotin Shampoo

FDA number: 73-1-6400041206

### Biotin Conditioner

FDA number: 73-1-6400040744

## ORGANIC **SUNSCREEN** ESSENCE

**SPF 50**  
**PA+++**

### Organic Sunscreen Essence SPF50 PA+++

FDA number: 73-1-6400046661

### ■ My Dear Mom Organic Sunscreen Essence SPF50 PA+++

It is a facial sunscreen product that contains natural ingredients to protect skin from the sun such as titanium dioxide and zinc oxide. The sunscreen is reef-safe and effectively protects skin from UVA, UVB and screen light without causing irritation.

Together with vitamin C&E, the product helps protect skin from pollution, dullness, and wrinkles. Plus, with organic argan oil, aloe vera, soothex, stimulus-AS, and biosaccharide gum-2, a natural extract ingredient, the sunscreen also helps protect, soothe, and moisturize skin with a light texture that absorbs quickly.

# MY DEAR MOM ORGANIC BREAST CREAM

## Breast Cream

## Organic Breast Cream

FDA number: 73-1-6400042963

- **Breast cream** that contains cabbage leaf extract which studies found that it helps reduce engorgement of breast and skin inflammation. With the combination of royal biocyte from Japan(hydrolyzed royal jelly protein), the cream helps soothe sensitive breast skin. Plus, the cream contains organic argan oil and sodium hyaluronate to moisturize the skin. Moreover, it also contains soybean seed and centella asiatica extract that protect skin from wrinkles, and improve elasticity and firmness.

Light texture, easy to absorb, and keep the skin moisturized soon after use. Suitable for all skin types, causes no irritation, and safe for breastfeeding mothers.
